

JULIE D'URSO #1295

What a year we've had! It's been my awesome privilege to have served with this Board during a most challenging time!

My name is Julie D'Urso. I have been a member of DWYC since 1997 and on the Board since 2018. My late husband and I were avid sailors and participated in many cruises and races.

I am active with the Islanders, having served as President in 2006. I have been involved with the Race Committee, serving as Co-Chair in 2004. I have worked on the Charity Regatta Committee and am currently in my third year as Editor of Lines & Bites.

I retired in 2014 from a career in Finance & Administration. In retirement I keep busy traveling, doing various crafts, photography, am chef for the Emeritus Luncheon Club where I live and am an avid reader.

I am an observer, a collector of facts and impressions with which I can make a positive recommendation for improvement in processes and procedures. I am an organizer and a planner.

With these background experiences and strengths, I believe I am in a position to continue to make a vital contribution to our Club.

Please vote for me.

JOE ESPINOZA #3393

My name is Joe Espinoza. I have been a member of Dana West Yacht Club for three years. I am running for the board of directors because I feel fortunate that I am a member of a very caring organization that supports our children in the junior sailing program and scholarship fund, the military with a Christmas dinner, and the Regatta supporting the American Cancer Society. I have enjoyed the social aspects of the club along with meeting many of our members.

I am a local businessperson owning my own company, have a boat in the harbor, and feel I would be an asset to serve on the Board of Directors for Dana West Yacht Club. I would appreciate your vote.
