Re: Pandemic Powerhouse Performance Award Selections

Dear Commodore Tamara Byrd Tatich,

Thank you to your club for applying for the Pandemic Powerhouse Performance Award. 2020 has been a very challenging year and all our member clubs should be applauded for their excellent management during this very difficult year. All the submissions were stellar and extremely hard to judge. The Selection Committee spent several days reviewing the applications and several hours deliberating on which clubs to select.

All submissions will be included in a digital magazine which will be published early next year and distributed to our member clubs and posted on the SCYA website. By sharing this information, it is our hope our member clubs can learn from your exemplary leadership and glean valuable information which can be incorporated into the successful management of other SCYA clubs. The in-depth knowledge included in the submissions is astounding and it makes me very proud of your accomplishments. This is a time in SCYA history which needs to be documented, remembered, celebrated, and shared.

It is my honor to announce the winners:

Senior Membership Category: ***Dana West Yacht Club***  
Regular Membership Category: ***Seal Beach Yacht Club***  
Associate Membership Category: ***Port Royal Yacht Club***  
Honorable Mention: ***Oasis Sailing Club***

Thank you for sharing your information with us. Working together helps us all succeed!

All winners will receive an invitation to the January SCYA Installation Banquet to receive their award.

Sincerely,

*John Marshall*
