# COMMODORE'S REPORT

By **TAMARA TATICH**

We all have more time on our hands than usual. Like me, you probably pay more attention to the smaller things. I mentioned silver linings a few times in my recent writings. Most of us have our list going, which also keeps us focused positively. We aren't as consumed with it's time for a pedicure or hair cut, or our quest for the perfect pair of jeans. While I'm patiently perched in a place to just "be," I'm grateful for my health, my family and friends and technology. Could you imagine experiencing the last pandemic in 1918 without it?

I'm forming a group of members assigned with visualizing what DWYC will evolve toward when we re-open for business. We don't have a date as of today, but we know that there is a push to phase in opening businesses. Restaurants are in the second phase, but we aren't sure what stipulations will be imposed. There's not a precedence to call upon, so I'm also having conversations with other commodores in SCYA clubs to learn what they're doing to navigate this challenge. I just want you to know that we're not going to just open the doors without a thoughtful plan focused on member health and safety.

Last month, Member Services made calls to each of you just to see how things are going or if you needed assistance our volunteers could facilitate. I've also had the pleasure of a weekly "check-in" with our employees. As of this writing, I am happy to report that they are all healthy and safely remaining home with just the basic necessary errands. Many are using online shopping for a weekly meal plan. Most of us are Skyping, Zooming or using another video chat and Facebook to stay socially connected. Our Friday Happy Hours are well attended, and it's easy to join us on Zoom every week at 5pm. There's a link in the weekly eblast and on Facebook.

*Singing "Anticipation"  
because yes. . . DWYC  
is well worth the wait.*

I checked the infamous "Suggestion Box" this week, and as suspected...empty. But, I value your opinions and suggestions tremendously! Please share via email, and I'll read it in our upcoming board meeting to the team.

# VICE COMMODORE'S REPORT

By **HYDEE RIGGS**

In closing, my heartfelt thank you to all our members! We're going through this together and our club could not survive this closure without your continued support. The members' dues are keeping our monthly bills paid. It won't be much longer until we can return to a fabulous atmosphere with exceptional cuisine and our preferred beverage of choice served up by our favorite mixologist... at a fraction of the costs anywhere else this side of the Mississippi. I'm singing "Anticipation" as I wrap this up, because yes...DWYC is well worth the wait.

**IMPORTANT NOTE:** If you didn't get a phone call or a voicemail message – we don't have an updated number for you. There were several disconnected and wrong numbers, so please call or email the office to update your contact number.

You and all the family are in my thoughts, heart and prayers. Cheers, 

Greetings, friends!!! I miss seeing you at the club and around the Harbor, but everything will be okay and we will all be back together in no time!

Although the club is closed, your officers and directors continue to work behind the scenes to keep things going. I do want to highlight that our Commodore Tamara Tatich has spent countless hours on everything that she can do to make our club a better place for members while we are under these restrictions. I want to thank her, and all the other officers, directors, committees and volunteers for helping out during this time. It is so important that we continue to maintain our club and membership so that it will be ready when we reopen!

Thank you also to our Rear Commodore Molly Dearing and the special Member Services Committee for being available for assistance to our members. Remember, if you need anything, feel free to contact [memberservices@dwyc.org](mailto:memberservices@dwyc.org).

While we held off last month, we are moving forward with new memberships that are pending or ready for posting. Thus, the following new members were approved as members at the April Board of Directors meeting:

## NEW MEMBERS

### BOAT OWNERS

Mark Jensen, Dana Point – 22' foot Grady White  
William & Kristi Knoke, San Juan Capistrano – 30' Catalina  
William & Pamela Horner, San Clemente – 30' Legacy  
Dan & Claudia Keller, Dana Point – 30' Seaswirl Striper  
Tracy & Charles Kelly, Aliso Viejo – 19' Bayliner  
Lloyd Chase & Janice Badgley, Laguna Woods – 30' Catalina  
Kevin & Kristen Laidlaw, San Clemente –  
34' Californian/Marshall

### NON-BOAT OWNERS

Glen & Tracy Dimino, San Diego  
Candice Burroughs, San Juan Capistrano  
Michael & Jody Bahr, San Clemente

We have also posted the following applicant for approval at the May board meeting:

Sharon Hodson – Non-Boat Owner - Dana Point

## MEDICARE INSURANCE WHILE YOU "SHELTER IN PLACE"

During this time of chaos, we are still and always here for you. Because we work from home, as do many other independent Insurance Brokers, the Corona Virus has had little impact on our regular business activities. So, if you have any questions or concerns pertaining to Medicare, give us a call. We will be there with the answers and information you need.

If you're getting close to Medicare age, we can walk you through the entire process without having to meet in person. Using simple technology (like sharing our computer screen with you via a link we send by email), we can show you what Medicare is and how it works. Then, taking all your medical and prescription drug needs into consideration, we can help you select the most appropriate and cost-effective plan for you.

We have the ability and desire to help anyone who has Medicare concerns. If you or someone you know, needs our no-cost services, please have them contact us right away. *Taking care of our clients and their friends is our top priority!*

## NEW MEMBERS

*Please note that pictured new members may have been approved at a prior Board of Director's meeting but due to deadlines of this publication may not be acknowledged nor their photographs printed here until the following months.*

Once we open our doors back up, please reach out and say hello, get to know these new members them and embrace them into our family. It is sometimes difficult to be the new kid in town, so let's show why we are the "Best Little Yacht Club on the West Coast".

I hope all of our members are safe and healthy during this pandemic. Please reach out should you need any assistance or just to say hi!!! 

The By-Laws require that new applicants for membership be posted on the Bulletin Board for twenty one (21) days. Any regular member may place an objection against an applicant by submitting the objection in writing to the Board of Directors prior to the next Board meeting.

### **Applicant and member postings are pending.**

*Dana West Yacht Club operates as a private, non-profit club. In compliance with the California State Liquor Laws, we must have an Officer of the Day at the door, and all guests of DWYC members must be signed in by the member with our "Swipeon" system before entrance. All visiting yacht club members must present verification, sign in with "Swipeon" and must wear a guest badge, printed by the "Swipeon" system. The OD must verify individuals, by requesting them to present their card. Most members have their cards ready as they enter.*

## REAR COMMODORE'S REPORT

By **MOLLY DEARING**

Wow! I miss you all and being at the club, but I hope that everyone is staying safe and healthy at home. I also want to thank those of you who are essential and may still be out on the front lines helping us all get thru this crazy time.

Just a reminder that the DWYC Member Services Committee is here for you if you need us. We have assembled a wonderful group of volunteers who are available to support our fellow members who may be isolated at home due to being ill or high risk. We are available for grocery or prescription runs, to deliver a takeout meal or just a friendly check-in conversation. I also wanted to let you all know that we have a member who is a Clinical Nurse Supervisor at Saddleback Memorial. He has kindly offered to give us information on medical questions that you may have. If you have questions for him, please direct them to me and I will get you in touch. Please let me know if we can help you! I can be reached via phone call or text (949.842.4928) or email (memberservices@dwyc.org).

On a more fun note, we have started an online Monday night game night, via Zoom. Please keep your eyes out for the weekly announcement on the "Dana West Yacht Club" Facebook page. The link to the "meeting" can also be found in the weekly email blast, at <http://www.dwyc.org/staying-connected>, or please email or text me and I'll add you to the game info email that I send out weekly. The game is likely to be different every week. So far, we have had fun playing Bingo and the "DWYC Match Game." Please join us, the more the merrier and it is fun to "hang out" with your yacht club friends while stuck at home.

While the Ship Store hasn't been much of a priority this last month, I am very excited to get the store back open. I have some cute new women's "trucker" hats which arrived right before we self-quarantined, and I have the Reyn Spooner Summer and Catalina shirts on order for when we reopen. Also, just a reminder that if you had pre-ordered an item before we closed, I haven't forgotten about it and will be sure to contact you once we are back in business and the item is delivered to the club.

Please continue to take care of yourselves and your families and please feel free to reach out to me if I can be of any assistance at all! 

## PORT REPORT

By **NINA McNEELY**

When I wrote my article for the April Lines&Bits issue, I would never have predicted that the club building would be closed this many weeks. But our yacht club is not just a building – it is our members who make up our club and I want to give credit to our leadership for keeping us connected! I encourage you to make sure you are getting Tamara's informative weekly emails. Join the Facebook group to see what other members are up to – people are posting some funny stuff! Hop on Zoom and get in on the Monday game night! Pop on the Zoom link Fridays for

Happy Hour from 5:00 – 7:00 pm! You don't have to stay the whole time, just get online and let everyone know how you are doing. If you are having technical difficulties, contact Member Services and see if someone can help.

We also have a weekly Book Club! So far, we have read "Where the Crawdads Sing" by Delia Owens (a personal favorite of mine), "The Bookish Life of Nina Hill" by Abbi Waxman, and "When We Believed in Mermaids" by Barbara O'Neal. There's always room for more people to join in on the discussion on Thursday nights! Please e-mail your book recommendation, to me at [port@dwyc.org](mailto:port@dwyc.org).

Finally, I have some great news to share! The DWYC entry in the Festival of Whales parade won the Mayor's Award – *Best Display of Parade Theme!* I can't thank all of our volunteers enough! We'll be receiving a plaque from the City of Dana Point for the club when social distancing measures are relaxed. I'm going to celebrate this achievement with every one of you! Please be thinking about next years' entry!

Soon we'll be together again in person. In the meantime, let's stay together digitally! We're going to weather this storm together and be stronger in the calm afterward. 

# FLEET LOG

By **RICH BLANCO**

# FLEET

Greetings DWYC Members.

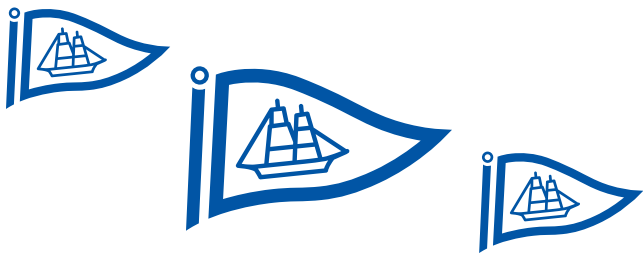

With the COVID-19 virus regulations forcing us to close the club and postponing some of our scheduled cruises, there is not much going on regarding excursions. I am communicating with other yacht clubs to see how they are doing.

We are hopeful the quarantine ends soon so we can get on to our cruises. In the meantime, I wanted to share some photos from past cruises. 

# FLASHBACK

## RACE

By **ROD WOODS & MICHAEL TATICH**

WOW! Four months into the sailing season and no DWYC races scheduled at this time.

If we're lucky, we might get a Harvest Moon race on Friday, October 2. Maybe we can combine the Jack and Jill, Friday Summer Fun and Harvest Moon all on the same date.

Committee Boat Jackie: I installed a new anchor, 125 feet of chain and 40 feet of 3-strand twisted 1/2-inch nylon. New parts for the Lewmar windlass should arrive any day. Next up: Repair the boat cover. Stay safe ...

### CASUAL RACING OPPORTUNITY

Invitation to all DWYC sailors to join Farkles Races on Thursday afternoons at 2 pm. Crews are two-handed, single-handed or families. This is a casual race with a no-pole rule. The "reverse" start sequence is broadcast over VHF Channel 68. Higher PHRF rating start first, but you do not need a current certificate. The start line is at the green entrance buoy and the finish line is the red entrance buoy. Get out, go sailing and have a great day!

Any questions, on these races, please email Sue Griesbach at [sue.griesbach@gmail.com](mailto:sue.griesbach@gmail.com).

# SAILING FOR LIFE

By **MARY STRAZZULLA**

The Charity Regatta and all related events have been postponed until further notice. We are hopeful that we will soon be back enjoying the Club and that our fundraising events will be back on track.

American Cancer Society still needs our support to continue their efforts. If you are so inclined, you may still donate via the DWYC Team Fabulous found on our DWYC homepage under regatta. All money goes directly to American Cancer Society with donation credit given to DWYC.

Stay well. With champagne and chocolate dreams, we hope to see you soon! 

# SOCIAL MEDIA

By **MEMBERS ON LINE**

With virtual socializing being the new norm, the question was asked of DWYC Members to share something about themselves that we might not know about them. Of course, the responses were loads of fun!

**KELLY BUSH BARRETT** I used to deflate fish for a living when I worked for Shimano.

**MAGGIE BELL** How (& why) does one deflate a fish?

## JUNIOR'S CORNER

By **DAWN RASMUSSEN**

Since the April Lines&Bits, much has changed and I am sure by the time you see this article, more things will have changed further! COVID-19 is an ever-evolving situation. We will flex our plans accordingly and keep you up to date in the weekly News Blasts that Tamara is sending out. We have also re-engaged on Facebook and Instagram. Please follow us!

### Facebook:

Dana West Youth Sailing – DWYC Juniors  
@danawestjuniors

### Instagram:

Dana West Youth Sailing (DWYC) @dwyjcjr

As you may know the Tin Cup Golf Tournament is our #1 fundraiser and as of right now, it has been moved to Wednesday, September 9th. FUNdraising and member support are the life blood of the DWYC Juniors program. In order to achieve our goals, we need to have a strong program financially, so we are working on several events and initiatives later in the year to help us raise money in 2020. However (and we understand this may be a difficult time), if you have the ability, we ask that if you were planning to donate to the Juniors, we would appreciate if you could do so directly and now. It would be incredibly helpful.

As of this day (late April), we are still planning on hosting summer sailing camps on the same dates we had listed below. However, again, this will be determined by government guidelines for return to normal, as well as dependent on us figuring out how to approach social distancing measures. As a reminder, the camps are open to all children ages 8-18 (whether club members or not). Camp is held from 9:00am to 5:00pm Monday through Friday. Lunch is provided on Fridays. The cost is \$450 per session. The dates for this year's sessions are:

**Session 1: June 15th – June 26th**

**Session 2: June 29th – July 10th**

**Session 3: July 13th – July 24th**

In one of our recent newsblasts, we shared how you can support the Juniors while sitting at home and purchasing on Amazon Smile. It's a slightly different

process than just ordering on Amazon, as you order on the web from a computer and not the Amazon App. The site donates 0.05% of your purchase to our program. Log In to the website: <https://Smile.amazon.com>, follow the instructions and search for Dana West Youth Sailing Inc. If you are searching by category, it's under Swimming, Water Recreation.

Finally, this is going to be a difficult year for all of us and it has and will impact our plans and programs. However, we are hoping that, through your continued support, we can make it through this time and develop a stronger and more meaningful program. This is a very important program for the club and kids, a.k.a. our future boaters, so thank you!

## ISLANDER'S UPDATE

By **NANCY MAY**

This month, I am writing a small article with a huge thank you to Mindy Sicard for selling over \$1000 worth of our See's candy the week before Easter. Driving up to her house in our cars with dollars in our trunks, she, masked

and cautious, safely took the money and left the candy in its' place. Thank you so much Mindy! And thank you to those who bought to help Islanders help the club.

As we head into May, perhaps you too have had jig saw puzzles overtaking your dining room table, 15 odd Amazon orders delivered, found new ways to exercise, made Joel's delicious meat loaf, talked to distant friends, experienced travel through webinars, have closets and cupboards 'Marie Kondo' organized, Zoom cocktailled on Friday nights with DWYC, played Monday night games with Matt and Molly, book clubbed on Thursday with Nina and binge watched Tiger King with the rest of the country!

Above all, continue to be safe, be well and keep smiling until we see you all back at the club hopefully soon! 

## HEALTH & HAPPINESS

By **CINDY SALWAY**

As I write this column, it has been five weeks of self-isolation. There is sadness and grief for so many. The pain of loss of family, friends and income is very real. On another note, I am in awe of the kindness, dedication, resilience and creativity of so many. Our club is a fantastic example of the positives. Whether it is the phone tree calling to check in with members, the Zoom Happy Hour meetings on Friday nights, the online game nights and entertainment, the many social media messages...all of these have kept us connected during a very unconnected time.

Ron and Cindy Latin arrived home from their year-long sailing adventure of a lifetime in March. They began their trip back on February 20th, 2019, on their 46-foot Beneteau which they had purchased in Miami. After ensuring the boat was shipshape and well provisioned, they headed out. A large part of their adventure took place on the Intracoastal Waterway (ICW), along the Atlantic coast of the USA all the way to Boston and back to Fort Lauderdale plus a trip to the Bahamas. During their adventure, they saw many amazing historical sites, enjoyed making new friends, met up with old friends, and spent time with their children and grandchildren. You can read their blog at [www.ronandcindyodyssey.com](http://www.ronandcindyodyssey.com). It's a lovely journal of the trip with beautiful photos. Welcome Home Cindy and Ron!

Barb and Dell de Fabry arrived home on April 8th, a bit earlier than they had originally planned. All but essential services were closed in Puerto Vallarta just as it has been for so many worldwide. They had a wonderful time since last fall while in Puerto Vallarta and surrounding area, but it was time to make their way home. Welcome back Barb & Dell!

Diane Riley spent some time in the hospital recently but is home now. We send her wishes that she will continue to feel better every day.

Robyn Carpenter's father passed away in early April. We send our deepest sympathy to Robyn and her family at this sad time.

If you have news of happiness or health you'd like to share in this column, please email me at [Happiness@dwyc.org](mailto:Happiness@dwyc.org) or send me a text at 949-632-0807. "Just Think of DWYC and Smile!"

used to drop all the fish from a tournament right into the bay where the tournament was held. The fish with the over inflated swim bladders would all die. So we came up with a way to release all the air by inserting a 14 gage horse needle into the swim bladder releasing the air and they would live. We would then take the fish back into the lake and release them back into their environment. It was actually pretty cool.

late at night to make sure everything was closed up. I decided to pee off the back porch and a lady cop busted me for public lewdness. My dad was not happy with me!!

**BRIAN RANDALL** I danced with the Mary Anthony Dance Theater group in NYC when I was in high school.

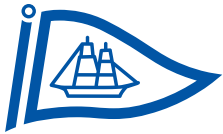

**SUZANNE WEBER ECHEVARRIA**

I was once on the original TV show back in the 1950's of

the "Mickey Mouse Club." Also, for the past 50 years I have been a "train buff" and have ridden every passenger train in the U.S. - over 500,000 miles.

**RAY BELL** I rode my bike and went kayaking today. 🚣
